		Rev. No: 06
		Issue Date: 15 th Jan, 2025
		Page 1 of 1

Reveille Oil and Gas Services Nigeria Limited (ROGSNL) is a Machine Shop, Fabrication and Tools Rental Services Company operating in the oil, gas, energy and allied industries in Nigeria.

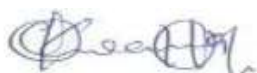

Consistent with **REVEILLE** vision of growth and development to become a premier service company in Nigeria in her areas of specialization that compares favorably with the best anywhere in the world, it is the policy of **REVEILLE** to provide clients with products and services that conform to the international regulatory requirements, meet client needs, exceed client expectations, and are delivered timely in a cost-effective manner.

It is recognized by **REVEILLE** that quality is one of the most important means of maintaining competitive strength in providing products and services that meet the stringent requirements and expectations of today's oil, gas and energy sectors of the economy.

The company has therefore established and maintains a Quality Management System which is customer focused, process driven and performance improvement orientated, that conforms to the international regulatory requirements of ISO 9001:2015 and API Spec Q1 10th Edition. Each individual in the company has a responsibility to ensure continual improvement of the effectiveness of the quality management system.

Quality objectives directed at different functions, levels and processes in **REVEILLE** and in consonance with this Quality Policy are established, pursued and reviewed periodically for effectiveness.

This Quality Policy is communicated, understood and implemented throughout the company and is continually reviewed for continuing suitability.

Chidi Okwara
